## Suffer from Constipation?

Constipation can be uncomfortable-bloating, cramping, straining.

Local doctors are seeking adults suffering from chronic constipation for an upcoming clinical trial.

All study-related care is provided at no cost. No insurance required.

Site \_\_\_\_\_ is offering an investigational capsule for relieving your constipation

We are seeking people age 22 year and above who are living with chronic constipation that would like to try something other than medication, to take part in a clinical study.
